

Anshika Mishra

B.Tech CSE Student

Motivated B.Tech CSE student with a passion for data science, AI, and machine learning. Seeking opportunities to apply my strong Python programming skills and academic foundation in computer science to contribute effectively to projects in the field. Eager to learn and collaborate, I aim to leverage my technical acumen to develop innovative solutions in data-driven domains and grow as a proficient professional in the realm of data science, artificial intelligence, and machine learning.
